

Jaguar 27 Sails for Sale.

Used Jaguar 27 mainsail. Fitted with track luff fittings. (Condition is ok, the only reason for selling is because the boat now has in-mast roller reefing and as such this sail is redundant). Includes sailbag.

Unused Jaguar 27 storm jib (original boat sail that has never been used again mainly due to roller reefing). Includes sailbag.

Happy to sell either individually for £25 each or both for £40.

Collection from Chelmsford, Essex is preferred although can post but this will be extra based on standard Royal Mail delivery charges.

Contact : Philip Davie at davie.philip@gmail.com if interested.
