

# Jaguar 25 MK 1 – For Sale

£6,250

Our beloved 'Jaffa' is for sale. She is a capable family cruiser with good accommodation for her size with 6 berths. Many refinements over time have been designed to enable easy handling when sailing single handed. In 2018 she had all her upholstery redone, new carpet, new curtains and new cockpit cushions made. The 2015 refit included a new mainsail, 'stack pack' and spray hood. Her engine has been well maintained and serviced annually so 'Jaffa' is ready to sail.
