

Jaguar 265 UNO for sale

Super, fast Jaguar cruiser UNO for sale. The original demo boat (hence sail #001 and name UNO) bought by our family in 1997. She was overhauled in 2021 including new standing and running rigging, new main, new water bladder, full engine service, new anodes, electric compass, log and depth sounder, vhf, heads etc. Sale includes original Genoa and #1 (showing age but working), laminated #1, crisp #2, spinnaker, storm jib, fenders, anchor and drogue, fire extinguisher, life buoy and EPIRB. Interior has had some water leakage damage but soft furnishings are serviceable. Moored in Brighton, she due for a lift on 16/9 for hull clean, fit new log and replace cabin deck boards. Ideal for young family cruising/learning to race. Sadly mine are grown up and need more interior space!
